Rates may be modified in the event of any change in the booking details.

Rate applied is as per product code captured at the time of booking and may only be modified in the event of any change in product detail prior to delivery of shipment. After flight departure no change in product will be permitted and rate applied will be based on the booking detail. It is the agent's responsibility to ensure the product code matches the rate applied prior to shipment departure. All rates are based on the issuance date of the Air Waybill (AWB).

The Emirates SkyCargo rates applicable for each booking are based on the country of and point of sale in **EUR** excluding fuel surcharge. The calculation of the applicable fuel surcharge will be as per the fuel surcharge mechanism available at <https://www.skycargo.com/shipping-services/fuel-index/>
