

These Local Sales Conditions apply to all sales of air cargo transportation departing from **Canada** including services incidental thereto, by or on behalf of Emirates SkyCargo. These Local Sales Conditions set out the specific booking and operational conditions which apply to Emirates SkyCargo cargo transportation sales in **Canada**.

We reserve the right to modify these Local Sales Conditions at any time and without notice we therefore, advise you to check the latest document regularly for updates and in particular, prior to making any new bookings.

Carriage of Cargo by Emirates SkyCargo is governed by the following:

- (i) Conditions of Carriage for Cargo and Conditions of Contract as displayed on the back of the Air Waybill can also be found at; <https://www.skycargo.com/conditions-of-carriage/>
- (ii) Local Sales Conditions, as applicable by country

These Local Sales Conditions are governed by and in accordance with the above-mentioned conditions. Except as otherwise stated, in the event of any discrepancies and/or inconsistencies the order of precedence shall be as listed above (i) to (ii).

The Shipper and/or the representing Agent (referred to as "Customer" hereinafter) are deemed to accept the above-mentioned documents in full for all bookings for Carriage of Cargo by Emirates SkyCargo.

Rate Applicability

Emirates SkyCargo rates for cargo transportation are based on the booking information provided by Customer, excluding any applicable surcharges, taxes, levies, fees, and other charges (e.g., related to screening, customs, DGR handling, etc.). Rates may be modified in the event of any change in the booking details.

Rate applied is as per product code captured at the time of booking and may only be modified in the event of any change in product detail prior to delivery of shipment. After flight departure no change in product will be permitted and rate applied will be based on the booking detail. It is the agent's responsibility to ensure the product code matches the rate applied prior to shipment departure. All rates are based on the issuance date of the Air Waybill (AWB).

The Emirates SkyCargo rates applicable for each booking are based on the country of and point of sale in **CAD\$** excluding fuel surcharge. The calculation of the applicable fuel surcharge will be as per the fuel surcharge mechanism available at <https://www.skycargo.com/shipping-services/fuel-index/>

Emirates SkyCargo reserves the right to terminate rates on the published tariff sheet with one (1) week's notification. Emirates SkyCargo also reserves the right to amend, add or subtract surcharges (subject to applicable laws and regulations) on fuel, security, or external cost factors beyond its control and any such changes will be published with seven (7) days' notice.

Weight breakpoints are only applicable for Emirates SkyCargo's net-rates, as specified on the published tariff sheet.

1. Spot Quotes

A spot quote is a one-time rate offered based on shipment details provided at time of the quote. All spot quotes are valid for seven (7) days only and should be accepted and booked within that period to avail the quote price.

The spot quote reference numbers should be provided at the time of booking to avail the spot quote rate. Capacity on spot-based cargo is subject to availability and approval by Emirates SkyCargo.

2. Charges Collect

The Emirates SkyCargo team at your respective station(s) will specify the applicability of Charges Collect by destination.

3. Other Charges

Applicable surcharges, taxes, duties, fees and other charges are applicable as mentioned in this document (see Annexure 1) or through your local Emirates SkyCargo office. We advise you to consult them regularly in case of changes, and particularly, prior to making a booking.

5.2. No-Show Policy

A No-Show is a booking that is not cancelled or rebooked at least **forty-eight (48)** hours (or 2 working days) before departure, or which is delivered after the cut-off time.
